Coach Sam's Inner Circle Foundation creates a positive environment for the disadvantaged children of Cleveland by providing community sponsored programs to combat the drug dealers, street crime, gangs and violence that are all around them.

The Inner Circle Foundation offers a vision for healthy living -- providing positive, character-building opportunities through sports, academic, wellness and mentorship programs.

But we can't save Cleveland without you....Please donate whatever you can to help the disadvantaged children of Cleveland. Remember, Kids don't care how much you know until they know how much you care.
